How does one become a cult? By shaping the spirit of their time, as 500 has done from the start. More than just a car, it’s a way of life, synonymous with style and light-heartedness. An icon that is ready to inspire people once again, by becoming totally electric. Beauty can change the world.
The first generation gave people mobility and freedom. The second turned city cars into something cool.

"Today, it’s time for 500 to inspire change, again. To commit to a higher purpose." (Olivier François – President Fiat Brand Global).
Today the new 500 «la Prima» is born. This Special Launch Edition of the new 500 is a tribute to nature from start to finish. In addition to being totally electric, it comes in three natural colors, inspired by the beauty and harmony of the surrounding environment: Ocean Green, Mineral Grey and Celestial Blue.
True to its roots and to 500’s iconic style, the new 500 is more beautiful than ever thanks to a new cleaner, more refined design and subtle lines, with the 500 logo moved to the front to reaffirm its unmistakable personality. Wider and longer than ever before, it has an even greater on-road presence.

**PURE 500.**

**DISTINGUISH YOURSELF**
An exclusive «la Prima» badge will customize each of the special launch edition 500s.

**LED INFINITY LIGHT**
The look of an expressive eyebrow, thanks to a renewed design and the technology of the future, that offers a clearer view of the road.

**WINGED ARROWS**
The LED side indicators are a tribute to the historic 500 design, this feature takes you on a journey from past to future.
CONVERT THE WORLD WITH BEAUTY

In the new 500 «la Prima» style joint comfort offering an exclusive driving experience. All details are inspired by natural materials, like the seats or the wrapped dashboard made by eco-leather and designed to amplify the spaciousness of the car. Moreover, with the new front armrest with storage and the smartphone holder with wireless charging, everything will find its space.

TAKE A SEAT IN THE FUTURE
New 500 «la Prima» seats are innovative, thanks to the eco-leather material, comfortable, with 6 ways adjustable, and proud to be Fiat, enriched by the exclusive Fiat Monogram.

AN ICONIC SIGNATURE
A dedicated logo adorns the steering wheel, reshaped to recall the essential style of the two-spoke `57 Fiat 500.

THE MATERIAL OF TOMORROW
The new eco-leather wrapped dashboard marks a turning point towards a more sustainable future.

CONVERT THE WORLD WITH BEAUTY.
ELECTRIC DRIVING OPENS UP TO NEW HORIZONS.

Preserve the planet, the lightness and the joy to life is part of our mission. To do so, the new 500 «la Prima» is built on a completely new platform 100% electric, designed for the next decade. We choose also to overcome all electric limits by offering, as standard, top-of-the-segment autonomy and quick charging solutions easy to use. To let you enjoy a sustainable and beautiful lifestyle.

FAST CHARGING UP TO 85 KILOWATTS
In just 5 minutes, the time for a coffee, you get 50 km of autonomy, a whole day in the city.

CRAFTED FOR THE CITY
Enjoy the ride with peace of mind, with up to 458 km of autonomy in the city and up to 320 km on a combined cycle (WLTP).

SHERPA MODE
This intelligent driving mode saves energy by optimizing battery charge, air conditioning, speed and acceleration. It gives you more range, getting you to your destination.

EASYWALLBOX
Recharge the car easily and directly from home with the easyWallbox included: charging power of up to 3 kW without needs of a technician for installation. If you want more power you can go up to 7 kW upgrading your house system to charge a new 500 in half time.

MODE 3 CABLE
Use the Mode 3 Cable, included, to charge your 500 «la Prima» on public station.

ONE PEDAL DRIVING
With just one pedal you can accelerate and decelerate, thus recovering kinetic energy that helps recharge the battery. You will still be able to brake with the specific pedal to make driving as easy as possible.

SAFETY IS AT THE TOP.
The first city car equipped with a Level 2 Autonomous Driving. The new 500 «la Prima» is able to accelerate, maintain a safe distance, keep you on track, read traffic signs and remind you of speed limits, in total autonomy, like a real co-driver.

INTELLIGENT ADAPTIVE CRUISE CONTROL
Set the speed and enjoy the ride, new 500 will keep the safe distance and the speed under control for you.

LANE CENTERING
Just a button to stay always in the middle of the road. This innovative system that will keep you on the track.

URBAN BLIND SPOT
Thanks to an ultrasonic sensor you will be alerted when there is something on the side and rear.

ATTENTION ASSIST
When you are tired the car will detect it and suggest a coffee break.

LANE CONTROL
Prevent the risk of unintended white lines crossing to stay always on the track.
IMMERSED IN TECHNOLOGY.

New 500 “la Prima” is always at your side helping you to safely cross the urban jungle. From the parking aid to the driving technological supports you have just to enjoy your ride while the car is taking care of you.

AUTONOMOUS EMERGENCY BRAKING
New 500 will brake automatically to avoid possible collisions with car, pedestrian or cyclist.

REAR VIEW PARKING CAMERA
The camera will transmit a high-resolution image of whatever is behind you, helping while parking or during your maneuvers.

360° DRONE VIEW
11 sensors will guarantee a 360° view of the car to detect any kind of obstacles around you and alerting about object proximity.

EMERGENCY CALL
In case of emergencies, the new 500 “la Prima” will help making a call that transmits the location and status of the vehicle.
The “Cinorama” infotainment system is completely new, projecting you into the future. With a fast, intuitive and easy-to-use 10.25” screen, you can access new content and advanced features, like wireless Apple CarPlay and Android Auto™. Thanks to Ultra-fast Bluetooth®, you will be connected to your devices in less than 5 seconds. Plus, enjoy the new 7” cluster, wireless mobile phone charging system and radio with built-in navigation.

YOUR 500, IN YOUR SMARTPHONE.

Enjoy the best connection, both on board and when you are away from the car. Thanks to the new Fiat app and the Uconnect® Services, you can control your new 500 «la Prima» whenever you want and wherever you are.

MY E-CHARGE
Enter a world of services to find the nearest public charging station, access charging modes, payments and history. And remotely manage your private Wallbox from home.
